EXECUTIVE SUMMARY

Afrifesto BBQ & grill is a locally owned family restaurant that will be positioned as a privately owned Afro- BBQ restaurant through our creative approach to the company's image and detail presentation, Afrifesto BBQ & grill will provide a combination of authentic african fusion food excellence at value pricing, with fun, real smoke, bold flavors, fresh ingredients and culture on the plate african infusion of flavors.
Afrifesto BBQ celebrates african heritage through bold flavors, traditional techniques with modern BBQ experience.
In today's highly competitive environment, it is becoming increasingly difficult to differentiate one restaurant outlet from one another, with lot of visitors yearly, mainly from neighboring counties the sector is the strongest in the region.
Our main priority is to establish one and unique BBQ & grill restaurant, this plan is prepared to obtain a location for the initial launch of this concept, the initial capital investment will allow Afrifesto BBQ & grill to provide its customers with a value driven, entertaining experience through the creativity of its founders.

OBJECTIVES 2026 - 2028

• To establish a Afrifesto BBQ and grill Restaurant as a successful local family run BBQ restaurant and gain a market share in the city's hospitality industry by 2028
• To make afrifesto BBQ & grill restaurant a signature authentic multi culture cuisine destination.
• To expand into several BBQ flame grill restaurants by year three to other metro cities.
• Achieve annual revenue growth of at least 12% per year from 2027 to 2028
• Maintain gross profit margins above 68% through efficient sourcing and menu engineering.
• Build a loyal customer base with a target of 2, 500 active loyalty program members by 2028.
• Implement sustainable practices, including sourcing 80% of ingredients from local suppliers by 2027.

MISSION

To serve honest, fire smoked barbecue that turns every table into a backyard gathering, filling our community with bold flavors, warm hellos, and lasting memories & honor the art of real traditional barbecue and african culture through wood-fired patience, scratch-made sides, and uncompromising
quality—serving every guest like family with honest and fresh ingredients.
Unwavering hospitality.

Afrifesto will serve authentic, bold african influenced cuisine while honoring the people, heroes, communities that make our country strong—one plate at a time & delivering bold, no-nonsense flavor in every bite.

Market analysis for ember & oak grill, reading Target market overview

Afrifesto BBQ & Grill Restaurant is positioned to attract a diverse clientele in England, the restaurant's contemporary flame grill concept, focus on premium British produce, and open kitchen experience are tailored to appeal to urban professionals, food enthusiasts, and families seeking quality dining in a vibrant atmosphere. The proximity to the major transport links further broadens its reach to shoppers, tourists, and commuters.

Customer personas

- Urban professionals: aged 26-45, working in local growing tech and finance sectors. They seek high-quality, convenient dining options for business lunches, after – work gatherings, and client meetings, value premium ingredients, efficient service, and a stylish setting.
- Food Enthusiasts & Couples: aged 25-40, living in the city and nearby towns, interested in contemporary cuisine, live cooking, seasonal menus, and unique BBQ flame grill experiences. Value, open kitchen, chefs specials, and curated wine pairings.
- Families & Groups: aged 34-55, residents looking for a welcoming environment for weekend meals and celebrations. Value: children's menu, group sharing platters, and attentive service.
- Tourists & Shoppers: Visitors to local town, Value: central location, quick yet high-quality flame grilled meals, and african cultured flavors.

Local market dynamics

The local town population exceeded 174, 000 in 2026, with a steady influx of young professionals and families due to its thriving business sector and excellent transport links to bigger towns. The town's dining scene is competitive, with a mix of independent eateries, national chains, and casual dining options, however, there is a growing demand for premium, experience – led restaurant with multicultural flair that focuses on sustainability and local sourcing – an area where Afrifesto BBQ & Grill Restaurant excels.

Swot analysis

Strengths	Weaknesses
Prime location with high footfall Contemporary african flame grill concept with open kitchen Experienced management and chef team	Higher price point may deter budget-conscious diners Dependence on local suppliers for seasonal produce Relatively new brand in a competitive market
Opportunities	**Threats**
Growing demand for premium, experience-led dining Potential for private events and corporate bookings Expansion of delivery and takeaway services Partnerships with local producers and wineries	Economic downturn affecting discretionary spending Rising food and energy costs Increasing competition from new entrants Potential staffing shortages in hospitality sector

Conclusion

Afrifesto BBQ & Grill Restaurant will be well positioned to capture a significant share of premium dining market between 2028 & 2029, by focusing on quality, sustainability, and distinctive grill experience, the business aims to build a loyal customer base and standout amidst strong local competition.
